MEMORANDUM FOR: CHIEF, POLITICAL AND PSYCHOLOGICAL WARFARE

SUBJECT: Daily Log

BGFIEND

The BGFIEND officer [] who maintains liaison with the British parallel project VALUABLE reports that his contact has indicated a willingness for a BGFIEND/VALUABLE meeting to be held in Athens before 15 June 1953. The agenda, as suggested by the British, would include: 1953 operations, leaflets, body drops, the National Committee for a Free Albania and future recruitment of agents. Although admitting inability to make political descisions without Foreign Office approval, the British contact expressed a desire to discuss the possibility of coordination between the National Committee for a Free Albania and the Yugoslav-sponsored Prizren Committee of Albanian Refugees as well as possible courses of action we would take in the event that the present Albanian regime is overthrown.
